Gift Personalisation

Why not take advantage of our FREE MESSAGE SERVICE - let us add that personal touch to your splendid gift. At its simplest, we can add a professionally prepared personalised message on a slip or a card within your gift.

Alternatively, we can add a seasonal card on which we print a personal message of your choice. We charge £1.75 per card, ex VAT for this service.

At a more sophisticated level, for as few as 20 similar gifts, we can add your company name and logo. This could take the form of silk screen printing directly onto the gift box, or by our adhesive printed label service. The options available are numerous and vary according to the gift, however, they start at £1.00 ex VAT per gift for a minimum of 20 gifts. Please ask for further guidance on this matter.

Whatever your gift personalisation needs we will be delighted to provide the perfect solution. We have our own in-house graphic designers and printers who will guide you through the process.

Bespoke Gift Service

Many of our clients have specific gift needs, either to suit their budget, customer ethos, company ethics, or a particular promotion. We will be delighted to work with clients to achieve their exact look, content or budget and maximise the impact of their gift.
